How to use

Steps to use this app:

Step 1: Click on the "Converter" button on the homescreen.

Step 2: Then type or copy your unicode text in the unicode text box and then click on the "Unicode to Preeti" button and it will get converted to Preeti font.

Step 3: Similarly, type or copy your Preeti text in the Preeti text box and then click on the "Preeti to Unicode" button and it will get converted to Unicode.

Step 4: You can also copy the converted text by clicking on "Copy" button.
