

1 INT. SPORTS BAR - DAY

1

A PLAYOFF GAME in the final minutes plays on a big screen T.V. WE HEAR the buzz of a crowd watching as the QB is SACKED - fumbles the football, which is recovered by the defense.

ANGRY MAN (O.S.)

C'mon! You've got to be kidding me!

A BEER MUG is flung through the screen. Sitting in a chair is...

TOM (20's), heedless, emotional, a look of astonishment on his face. A SERVER approaches with a BOUNCER by her side.

SERVER

Get this clown out of here.

TOM (ANGRY MAN)

Wait. I can explain... I have a flinch reflex, its sort of like turrets only... made up.

The bouncer grabs Tom by the lapels, lifts him up. Tom's feet dangle as though he were 1000ft in the air.
