

Cryptic Calendar

by cfb70

Lots of people like gadgets. I am not the exception to the rule.

There is a YouTube channel called "Grand Illusions" <https://www.youtube.com/c/grandillusions/videos> where his author Tim (Timothy Quiller Rowett) presents curiosities, toys, etc.

At this site I saw a cryptic calendar for the first time.

As I liked it, I tried to find it to buy it on the web. Since I couldn't find it, I decided to build it on my own.

In this tutorial he explains how to do it very easily.

Let's start !

PS: my special consideration to all the people who are suffering from COVID-19.

We all hope that scientists can find a vaccine !!

==== **EDITED 4-NOV-2020** ====

-in step 2, files are again available in the onedrive link.

==== **EDITED 12-DIC-2021** ====
