How to Print

1. Open your design in Canva and ensure it is set up for print by adjusting the dimensions and resolution if necessary.
2. Click on the "Download" button in the top-right corner of the screen.
3. Select the file type you want to download (e.g. PDF, JPG, PNG) and click "Download."
4. Once the file has downloaded, locate it on your computer and open it.
5. Click on the "Print" option in your PDF viewer.
6. Select your printer and adjust any print settings as needed (e.g. paper size, quality, color).
7. Click "Print" and wait for your design to print.
