

## LINE

A mark or stroke made on or in a surface.

## SHAPE

A two-dimensional (flat) enclosed area.

## COLOR

The visible range of reflected light.

## TEXTURE

Portrays surface quality; how something feels or appears to feel.

## FORM

A three-dimensional object with height, width and depth.

## SPACE

The area above, below, around, and within a piece of artwork, and the illusion of depth or space on a flat surface.
