This image shows a blank monthly calendar template. At the top, there is a header row with letters A through W. Below this, the word 'month' is written in a large, bold, purple font. To the right of 'month' is a notes section with a purple border and a vertical purple bar on the left. The notes section contains the word 'notes:' in a cursive font, followed by five horizontal lines for writing. Below the notes section is a grid of days of the week. The grid has seven columns, each labeled with a day of the week: sun, mon, tue, wed, thu, fri, and sat. The grid is divided into four rows of three days each. The first row contains the days sun, mon, and tue. The second row contains wed, thu, and fri. The third row contains sat, sun, and mon. The fourth row contains tue, wed, and thu. The grid is empty, with no dates or events entered.
