

A man with curly hair, wearing a black cap and a dark t-shirt, is pointing his right index finger at a red QR code located in the top right corner of a large calendar. The calendar is titled 'THE BIG A## CALENDAR 2022' and features monthly grids for January through December. To the right of the QR code, there are sections for 'TRAVEL', 'EVENTS', 'BOOKS', 'ACCOMPLISHMENTS', and 'BYR'. The QR code is circled in red, and a red line extends from the circle, curving around the right side of the calendar.
