A lucky escape

My friends and I were going on a camping trip, when we almost had a terrible accident. It was late at night and it was raining heavily. Suddenly, a lightning struck and hit a tree, which fell down in the middle of the road. My friend, who was driving, tried to stop the car but the road was very slippery and the car started sliding. We hit the tree hard. While I was waking up from the shock, I heard my friend shouting "is everyone all right?" We all answered "yes!". Some minutes later, the fire truck arrived and helped us get out the car, which was completely destroyed. We were so lucky to be alive!
