A monthly planner template is shown, featuring a grid layout for notes and days of the week. The top section is titled "MONTHLY PLANNER" in bold black text. Below the title, there are four columns: "NOTES", "SUNDAY", "MONDAY", and "TUESDAY". Each column contains a grid of small squares for daily planning. To the right of these columns, there are four more columns: "WEDNESDAY", "THURSDAY", "FRIDAY", and "SATURDAY", also containing grids of small squares. The planner is designed with a clean, minimalist aesthetic, using light gray lines for the grid and a white background. There are several circular punch holes along the left edge of the planner, suggesting it is meant to be part of a binder or folder. The overall layout is organized and functional, providing a clear space for daily scheduling and note-taking.
