Willie Bauder is a well-known Lawyer in Florida. His services are sought out by different companies from wanting to notarize their contracts to handling negotiations for them.

He graduated top of his batch last 2012 from Harvard University and was the top 1 of the board exams last 2013.

His Services

Notarization

This will help create private documents as public documents to help use a future evidence should any litigations pursue among the party.

Consultation

Any litigation advice or discussion about what action should be taken shall be handled through consultation with Willie Bauder. The first consultation will be free, but the occurring consultation may cost \$20 an hour.

Handling Negotiations

Willie Bauder can represent you as an individual or your company within the set upon agreements of the contract. He has a retainer fee of \$5000 that shall be handed over a week before the negotiation.

Testimonials

"Willie Bauder is an amazing lawyer, those who are lucky enough to be squeezed in his busy schedule will see that he is worth your time and money."
