Welcome 2023! We hope your holidays were joyous and restful. The weather is chilly so please remember to include hats and mittens when preparing in the morning. A spare pair in packs is nice too as they tend to be soaked after recess. If you are missing items, let us know so we can check the Lost and Found bin. Other than skating, January has very few special activities scheduled right now but things might fill up as the new year begins- it is a long month. Look for notices or notes in folders and check the class blog weekly at [beteamawesome.weebly.com](http://beteamawesome.weebly.com) regarding new activities. Contact us through notes, at the school (376-2205), through the blog or via email at [abowden@sd73.bc.ca](mailto:abowden@sd73.bc.ca) or [mrsfarberskindergarten@gmail.com](mailto:mrsfarberskindergarten@gmail.com).

Keep warm!

A. Bowden & C. Farber
