APA Style Template is available in YCP Computer Labs!

What the template will do:

- · Sets the proper margins and line spacing
- Creates a title page
- · Creates an abstract page (optional), body of the paper, and reference page
- · Puts the running head on every page
- Inserts short title and page number on upper right corner of every page
- · Indents first line of new paragraph

From the APA Menu, you can:

- · Type the reference list
- · Insert citations in the body of your paper
- Format subheadings
- · Change the font of the entire document
