

Interactive Bookmarks

Great for Lit circles

The image shows an open interactive bookmark template. The left side is a single page with a 'Name' line at the top. Below it are five colored shapes, each containing a prompt: a pink pentagon for 'A PREDICTION', a blue hexagon for 'Author's style- and choices', a green circle for 'Questions- what if... why do you think...', an orange oval for 'A personal or imagined quote', and a purple diamond for 'A section you found confusing or awesome'. At the bottom of this page is a red hexagon with the prompt 'Connections- text to self, text to text, text to world'. The right side of the bookmark is a two-page spread, each labeled 'Chapter' at the top. Each page is divided into four horizontal rectangular boxes for notes.

Name _____

Chapter _____

Chapter _____

A PREDICTION

Author's style- and choices

Questions- what if... why do you think...

A personal or imagined quote

A section you found confusing or awesome

Connections- text to self, text to text, text to world
