I'm so excited!! I don't even know where to begin!!
I finally completed making that DIY Diary and I'm
now writing my first entry at the finished product.
Thank you Wikiknow for that very helpful article. I
really appreciate all the things that you guys do.
What's amazing about the whole thing is that I can
go ahead and go crazy on my pages. Yay!!

What a busy day!
To start off, I could barely sleep last night because
of the hard bed we slept on and because of my
excitement at touring London for the first time.
I can't wait to head out to Paris tomorrow afternoon
after some souvenir shopping! I'm sure I'll have as
many details of our experiences, and I hope they
will be just as good as London's!
