

The background of the image is a white wooden plank surface. It is decorated with several brown paper-wrapped gifts of various sizes, tied with twine. Some gifts are adorned with pine branches, pinecones, or small Christmas ornaments. There are also red stars with white numbers (1, 2, 3, 12) and a small red and white striped boot. The text "DIY ADVENT CALENDARS" is written in large, bold, red capital letters, and "for busy families" is written in a smaller, black, cursive font below it.
