

A colorful illustration of medical supplies. On the left, a black stethoscope is draped over a light blue clipboard. The clipboard has a red clip at the top and a checklist with five items; the first item is checked with a red mark. A red pen with a silver tip lies diagonally across the clipboard. To the right of the clipboard is a light blue pill bottle with a yellow cap and a red label. Next to the bottle is a blister pack containing ten red, round pills. Several individual pills are scattered around the base of the bottle and blister pack, including red and white capsules and yellow and white capsules. The background is white with small, faint geometric shapes like circles and hexagons.
