PRINCIPAL'S REPORT

2015 Preps

Having caught up with our new preps and many of their parents on Tuesday we are becoming increasingly excited about the possibilities for our prep program next year. We have decided to further reduce the size of these class numbers in 2015 by running **THREE STRAIGHT PREP CLASSES**. As well as the very experienced and talented staff we now have in the prep area with Sandra Taylor, Cole Clapham and Kerry Jones we also plan to add a new graduate teacher to the team. Please ensure that your 2015 preps attend the coming transition days as follows:

Wednesday 26th October from 9.30am to 11.00am

Thursday 1st November from 10.30am to 12.30pm

Thursday 4th December from 2.30pm to 3.25pm.

Individual school tours are still available for any family considering enrolling children for a start at Maffra Primary School in 2015.
