April 2023

The image displays three overlapping calendar templates for the month of April. Each calendar is a grid with columns for the days of the week (SUN, MON, TUES, WED, THURS, FRI, SAT) and rows for the dates. The top calendar is partially obscured by the middle one, which is in turn partially obscured by the bottom one. Each calendar has a 'NOTES' section at the bottom. The bottom calendar includes specific holiday labels: Palm Sunday (Sun 9), Passover (Wed 12), Good Friday (Fri 14), Easter (Sun 16), St. Patrick's Day (Fri 21), Tax Day (Tue 25), and Earth Day (Sat 29). The middle calendar includes 'Daylight Savings' on April 19. The top calendar includes 'Presidents Day' on April 26. The dates are arranged in a standard calendar format, with the first day of the month (April 1) starting on a Saturday in the bottom calendar.
