

Document Recovery

Word has recovered the following files. Save the ones you wish to keep.

Available files

- AutoRecovery save of 5.asd ...
Version created from the last ...
2:24 AM Saturday, February ...
- AutoRecovery save of 5.asd ...
Version created last time the ...
2:10 AM Tuesday, December ...
- ~WRA0005.wbk [Original]
Version created last time the ...
1:04 PM Saturday, June 04, 2...

If the option "Keep the last autosaved version" is not ticked, you may not see the autosaved version going to read next.

Note => Always set AutoRecover time to the value you want. You can change it to 1 and save the settings.

Recover Unsaved Word Documents using Microsoft Word

As you just read above that your MS Word document has an autosaved version: then only this method will work.
