

Budgeting Worksheet

Fill in the categories below to better understand your spending and how to budget. You can fill out all the boxes or just use the time frame that makes most sense for you. If you find that your final total is in the negative, look for ways to first reduce your flexible expenses and then your fixed expenses.

Income	Monthly	Semester	Year
Job			
Financial Aid			
Loans			
Family			
Misc.			
Total:			

Fixed Expenses	Monthly	Semester	Year
Rent			
Renter's Insurance
