

# My Life

## Timeline

A horizontal timeline axis with an arrow pointing to the right, featuring ten evenly spaced dots. Above the axis, five pairs of empty rectangular boxes (a smaller top box and a larger bottom box) are aligned with the first, third, fifth, seventh, and ninth dots. Below the axis, five pairs of empty rectangular boxes (a smaller top box and a larger bottom box) are aligned with the second, fourth, sixth, eighth, and tenth dots. Small vertical arrows point from each top box to its corresponding dot on the axis, and from each bottom box to its corresponding dot on the axis.
