Subject: We're getting together tonight

Ahmed,

How are you doing? I was so busy at work today that I think I need to take a break this weekend! I'm meeting Fahad for dinner tonight. He's leaving for a holiday tomorrow so it is the last time I'll see him for a few weeks. We're watching a film after dinner and then going to our favorite café for coffee and to catch up on news. Would you like to join us?

Actually, speaking of news, did you know that Eman is getting married next month? She's having a party to celebrate her engagement this weekend. She and her husband are traveling to Australia for their honeymoon. They're going to the same area that I visited on my holiday---Kewarra. You should go when you get the chance. It is really amazing!

This was meant to be a short email! I hope you can come and join us tonight.
