## WA101-C

Overprint the bars with your company color

Style WA101-C is designed with solid black print in the month and year in a glance bars, this gives you the option to overprint the bars with the same PMS color used in the imprint area. Depending on the PMS color, a screen percentage of the color will be used in order not to wash out the copy. Minimum quantity: 100 calendars. \$45.00 (V)

As shown here, December top sheet with Seasons Greetings at bottom is standard on styles WA101-C, WA101 - WA107.
