

NEW YEAR LEFT RIGHT GAME

It's 8am, bRIGHT and early on December 31st. Mr. RIGHT, and Mrs. always RIGHT are hosting thee New Years Party of the year! They have so much to accomplish before the evening! They LEFT everything till last minute, they haven't even put their LEFTovers away! How did 2022 come to an end so fast, how is this the last day LEFT!!?

Even with all the stress and the panicked rush, it felt RIGHT to flip over a new calendar year. The memories are LEFT behind, but RIGHT in their hearts. Time to step into 2023 with a good mood and the RIGHT mindset!!!

Ok, Time to decorate!!!! She ran RIGHT up the stairs and she opened the LEFT door of her closet and started pulling all the bRIGHT gold pieces!!

Party hats, noise makers, confetti... it was all going to look just RIGHT!

She sent her husband to pickup all the Etsy boxes that are LEFT on the porch RIGHT in-front of the door!!

He ran RIGHT in the house with all the boxes and started set up! With tables done, snacks put out and decorations hanging in the RIGHT and LEFT corners of the house, all that was LEFT was to get into the RIGHT party outfits!!

Mrs. RIGHT wore a bRIGHT gold sequence dress and Mr. RIGHT wore a black suit with a gold watch on his LEFT wrist.

The couple was looking sharp as the party was nearing.

What was LEFT to do was to crack the ice trays and light the candles RIGHT in the centre of the table!

Mr. RIGHT started pulling RIGHT up to the house ready to ring in the New Year. Mr.

RIGHT and Mrs. RIGHT greeted their best friends Mr. And Mrs LEFT!

The RIGHT way to ring in the new year is with your closest friends & family!

Guests entered the party and was astonished with how everything looked just RIGHT.

As the night is nearing and the couples shout out, "All the negativity and lows need to be LEFT in the past and now it's time to bring love and happiness RIGHT into the 2023 New Year ".....

3....2....1..... HAPPY NEW YEAR!!!!
