

THE NORWEGIAN EXPERIENCE

At Norwex® we're proud of our rich, environmentally friendly Norwegian roots. Founded in Norway more than 28 years ago, we've been transforming homes all over the world into Safe Havens ever since.

Our effective, sustainable products include microfiber, household and personal care items that help eliminate the use of harmful chemicals in our homes and on our bodies.

They also reduce the chemicals and single-use waste that threaten our environment.

Today, our products and Mission have inspired millions of Norwex fans around the world—real people committed to being a force for good. We'd love for you to join our Mission and help create safer havens, too. Ask your Consultant today or visit norwex.biz.
