Jonathan Myers, you continue to demonstrate an ability to learn new skills quickly, complete your tasks with minimal oversight, and publish projects on time. You have used non-working hours to grow as an individual, reaching almost all of your personal goals for the year. You have shown sparks of leadership and the ability to steer a team in the right direction. You are also keen on pushing projects out on time, offering new and insightful information to the team, helping others.

Overall, your performance has exceeded expectations, and you continue to be on track towards your leadership role as an Engineering Manager.
