We all know that person who always has something to say, but do they actually know what they're talking about? 🤔 In my experience, the person who runs their mouth the most usually doesn't have a clue! 🙋

It's important to remember that just because someone is loud and confident in their opinions, doesn't necessarily mean they are right. True expertise comes from knowledge, experience, and a willingness to listen and learn.

So next time you come across someone who is constantly spouting off without any real substance behind their words, take their words with a grain of salt. And remember, actions speak louder than words! 🗣️ 100 #WisdomWednesday #KnowWhatYoureTalkingAbout
