EDUCATION

**2018 Bachelor of Communication
& Creative Industry (Graphic Design)**
Charles Sturt University, Wagga Wagga

2014 Higher School Certificate
Kooringal High School, Wagga Wagga

MY SKILLS

I am relatively self taught and have been learning the fundamentals of the Adobe suite for over 5 years now.
I am extremely proficient in Photoshop and Illustrator as they are my main platforms for designing. I wish to expand my knowledge and learn the required skills of video and motion design by using programs such as After Effects and Premiere

PREVIOUS EXPERIENCE

- **Graphic Designer** for Mindfreak Pro (2018)
- **Created the O-Week Clubs Guide** for Charles Sturt University (2017)
- **Head Designer** at Hungappa Magazine (2017)
- **Broadcast Graphics** in co-operation with ESL Australia (2017)
- **Graphic Designer** for Avant Gaming (2017)

EMPLOYMENT OBJECTIVE

I believe that my specialities lie in branding, logos and advertising. I also believe that great design is a lasting impression. Too often companies and organisations settle for mediocre design and generic marketing strategies. I want to be apart of a creative team that cultivates fresh creative thinking to solve problems and to make an impact. I want to stand out from the rest, which to do so I have to bring new creative designs that has the potential to bring out the best possible result

Photoshop   Illustrator   InDesign
