April 2023

The image displays three overlapping calendar templates. The top-left calendar is a simple monthly grid with dates 17 through 31 and a 'NOTES' section at the bottom. The middle calendar is similar but includes a 'Daylight Savings' note on the 14th and a 'NOTES' section. The bottom calendar is a more detailed monthly calendar for April, featuring a header with days of the week (SUN to SAT) and dates 1 through 30. It includes various holidays and observances: Palm Sunday (April 8), Easter (April 16), Tax Day (April 25), Good Friday (April 14), St. Patrick's Day (April 23), and Earth Day (April 29). The calendar also has a 'NOTES' section for the month.
