

Gardening Journal

The image displays four overlapping printable worksheets for garden planning, set against a light green background with a subtle floral pattern.

- Monthly Weather Chart:** The top-most sheet, featuring a title "Monthly Weather Chart" and a "Month:" field. It includes a grid for tracking weather and temperature throughout the month.
- Plant Information:** The second sheet, titled "Plant Information", contains fields for "Name:", "Location:", and "When it Blooms:". It also features a large grid of boxes for drawing or notes, and a small illustration of a plant.
- Today in my Garden:** The third sheet, titled "Today in my Garden", has a large writing area for daily notes and a small illustration of a plant.
- Winter Gardening Notes:** The bottom-most sheet, titled "Winter Gardening Notes", provides a large writing area for seasonal notes and a small illustration of a plant.
