

Annual Training Schedule by Program

All areas (*except* IRT and ODT) are assigned to January and July. IRT and ODT are assigned alphabetically for February/August, March/September, or April/October.

Classes should be taken the month they are due and *not* in advance, unless there are unusual circumstances, such as a planned medical leave, approved by your program coordinator. If taken in advance because of a previous delinquency, they must be taken again in the correct month.

Staff will be unable to work if training is delinquent.
