A year full of cats—what could be better? Showcasing the sweetest, silliest, most adorable felines of all time, 365 Cats indulges cat lovers with what they love: cats, cats, and more cats! There's a curious orange tabby investigating an icicle. A black-and-white kitty perched high—but not too high—on a tree branch. An elegant Abyssinian curled up inside a terra-cotta bowl. Plus fluffy Himalayans, distinctively spotted Ocicats, and a British Shorthair mum cuddling her kitten. Accompanying the full-color photographs are inspiring rescue stories, cat trivia, breed facts, and quotes: *"The ideal of calm exists in a sitting cat."*—Jules Renard.
