

feel the fact that you
are
ENOUGH

you chnge the world by
being
YOURSELF

take time to make your
soul
HAPPY

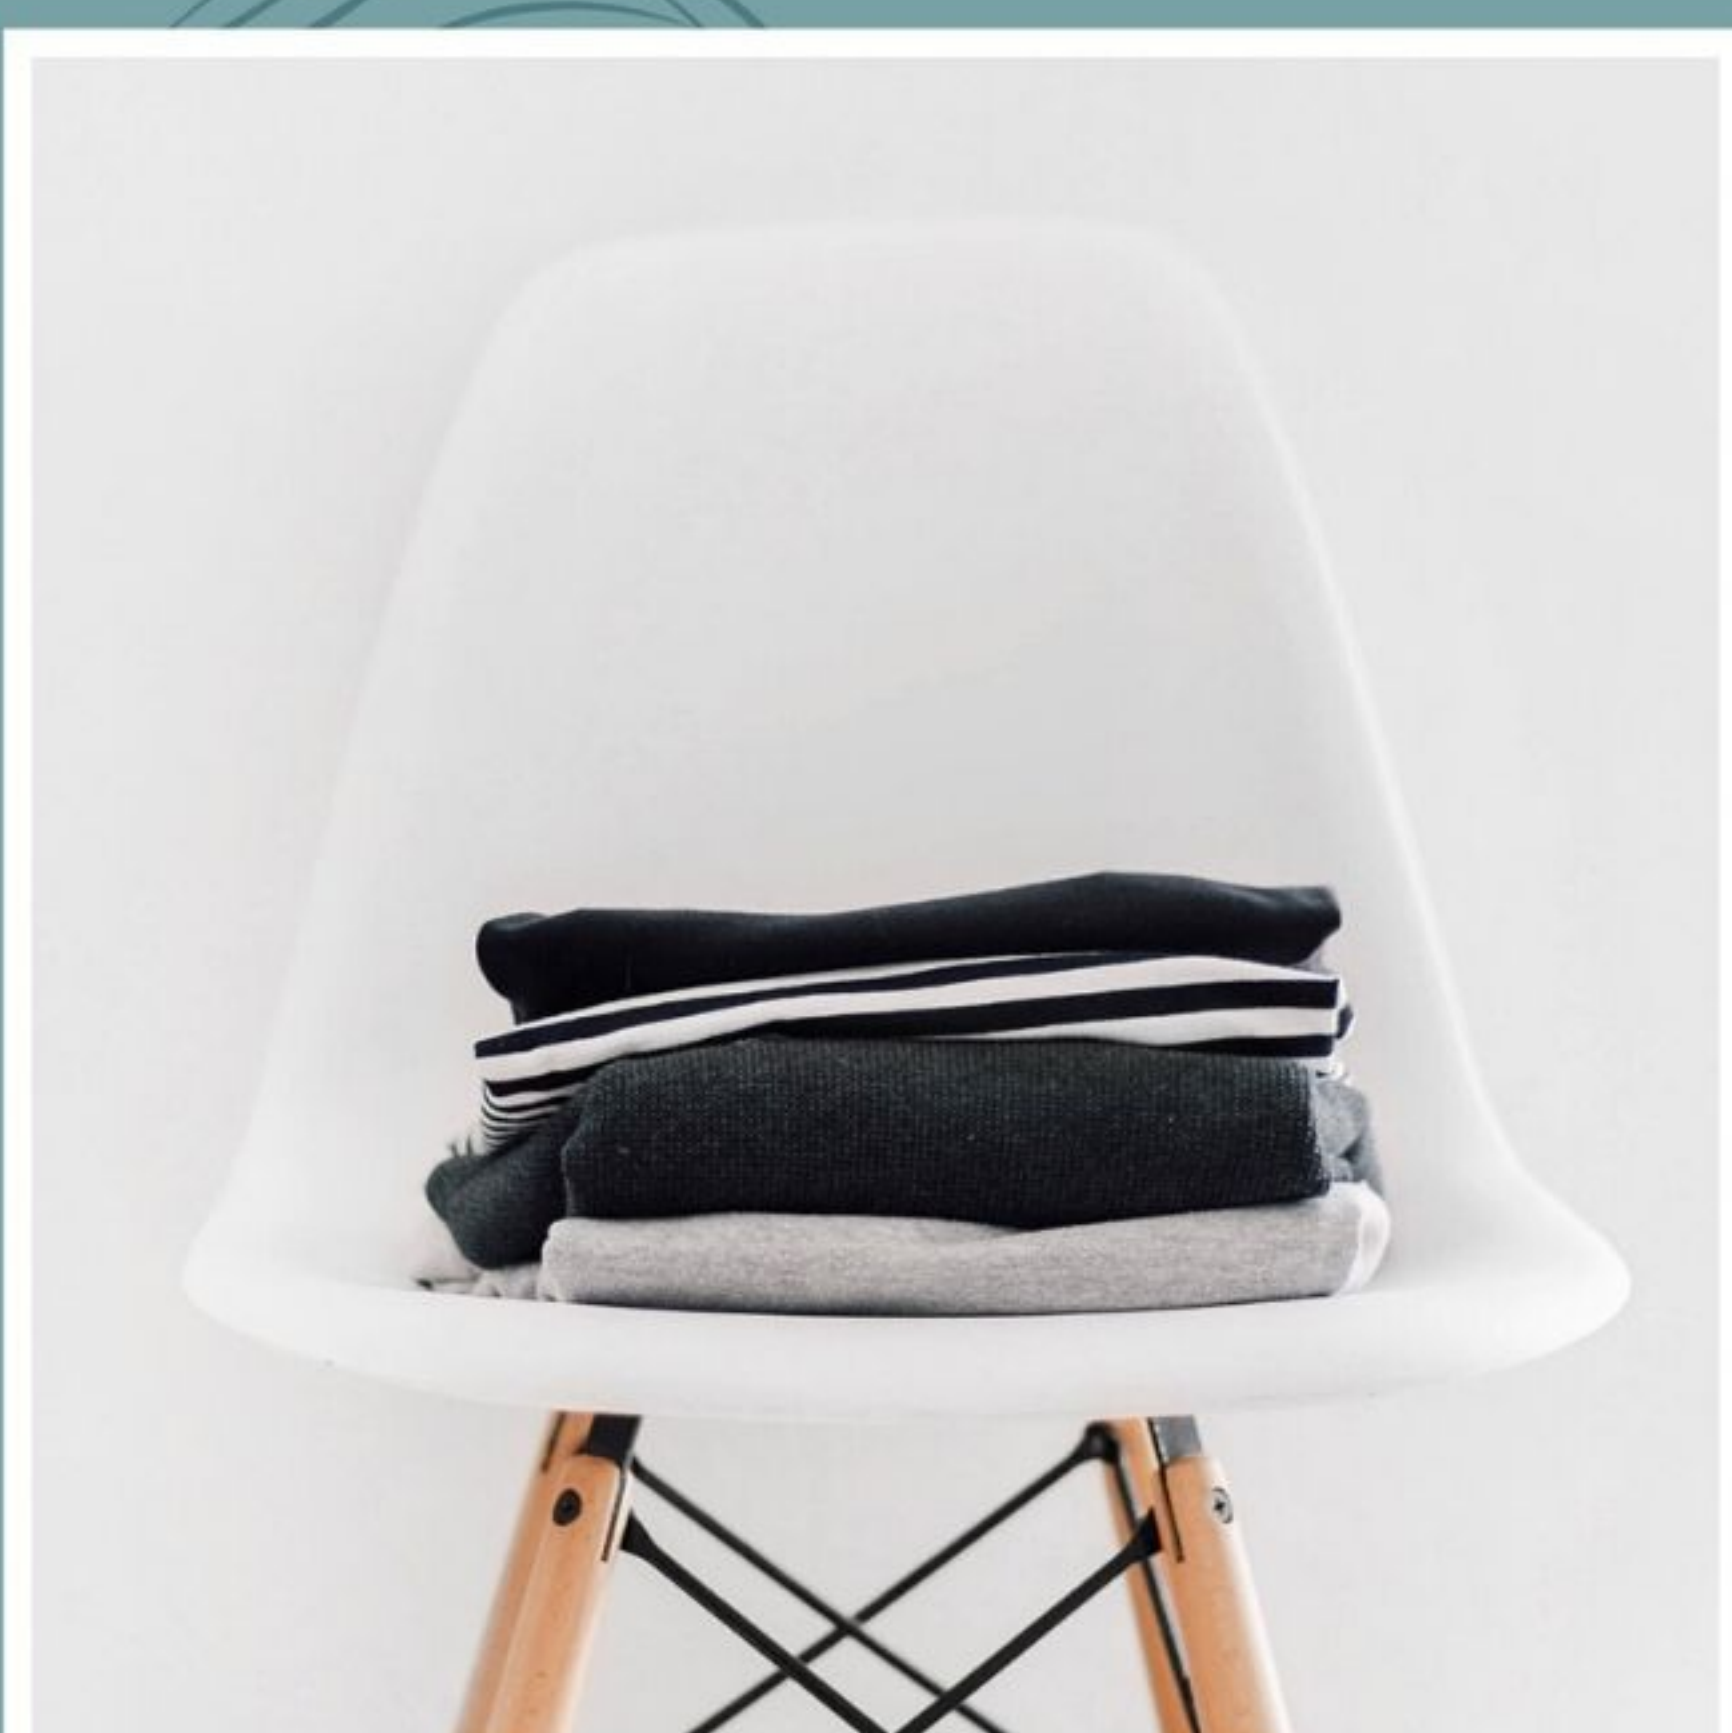

I just want to spend the
rest of my life
LAUGHING

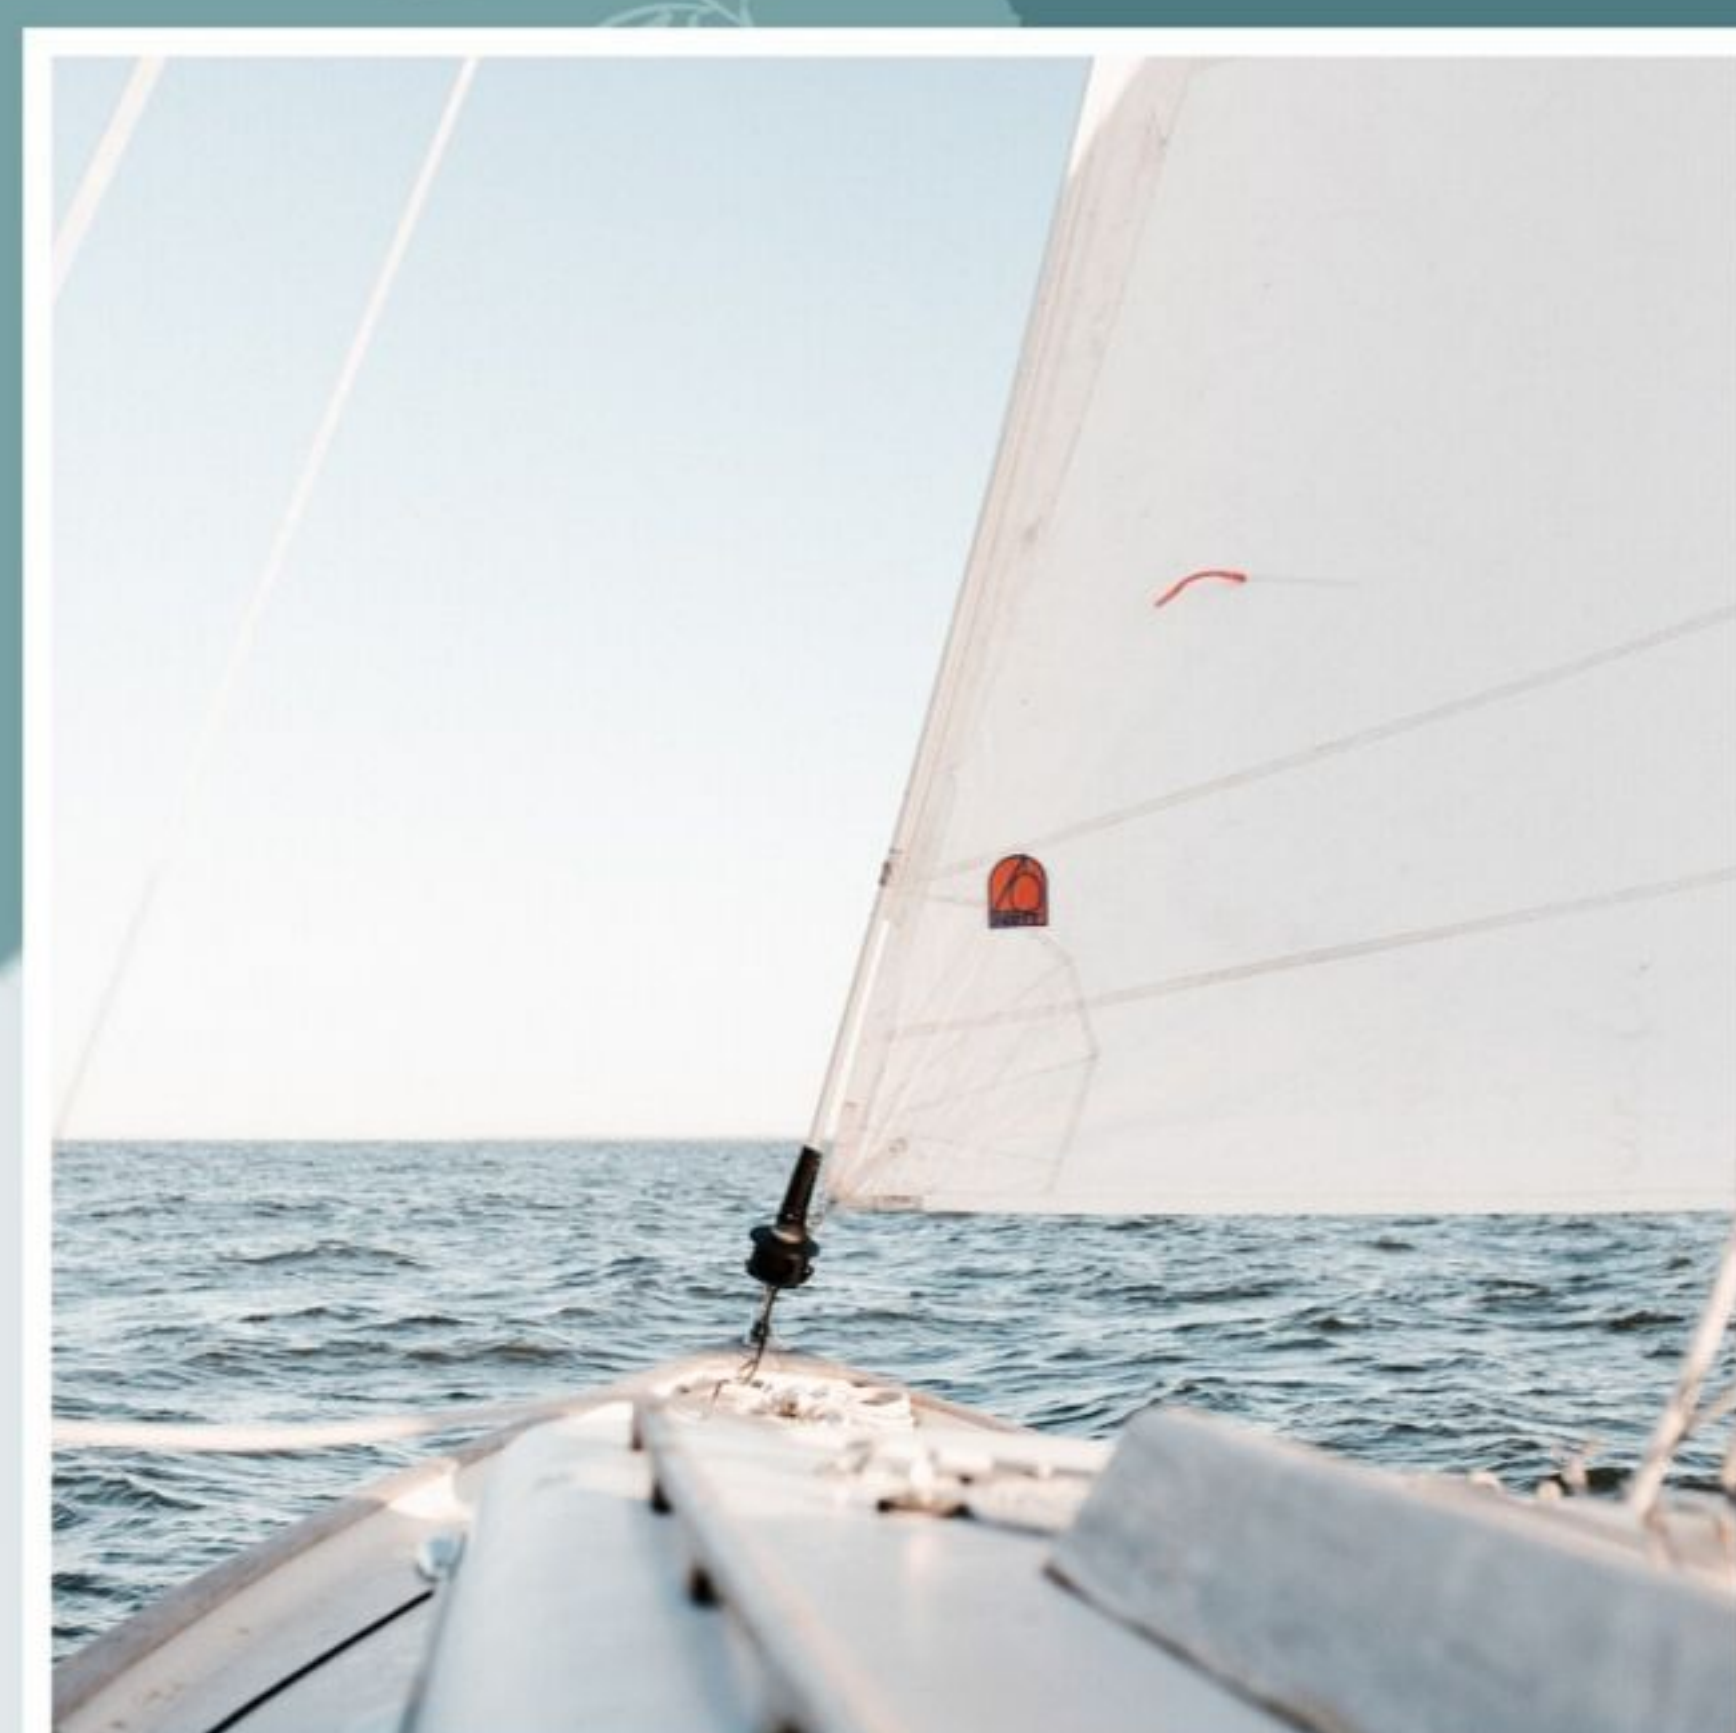

escape and breath the
air of new
PLACES

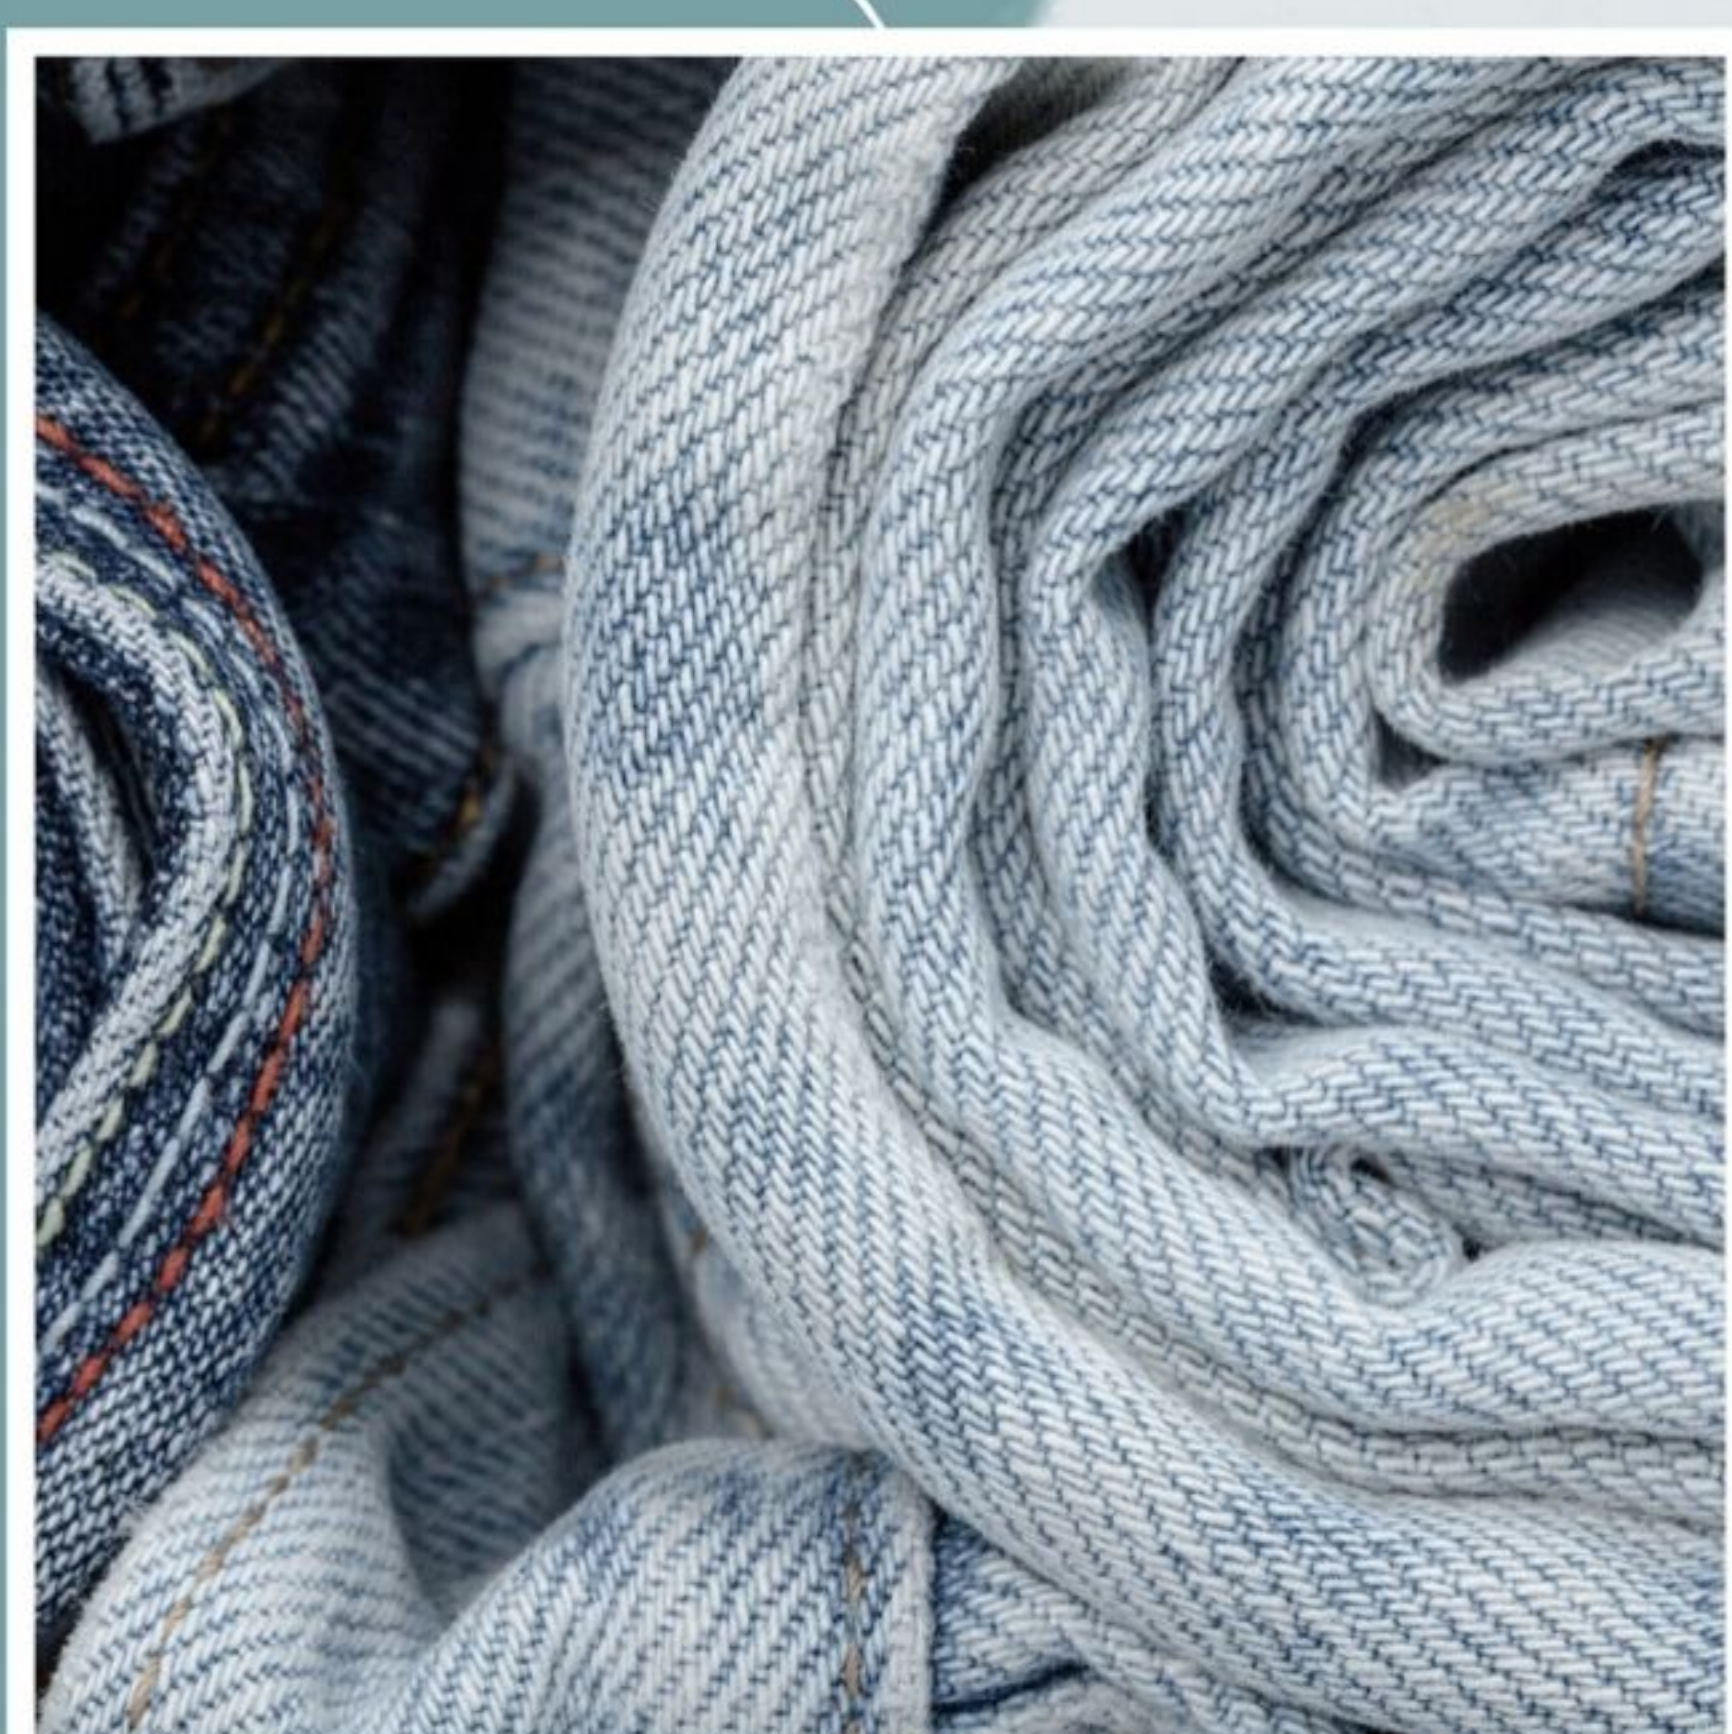

life is short and the
world is
WIDE

meet me where the sky
touches
THE SEA

progress is impossible
without
CHANGE

life is only as good as
your
MINDSET
