

Choose Font of character

The image shows the 'Text Style' dialog box in AutoCAD. It has a title bar with an 'A' icon and the text 'Text Style'. The main area is divided into several sections. On the left, there's a list of styles under 'Current text style: Annotative'. Below this is a preview box showing 'AaBb123'. The right side contains settings for 'Font', 'Size', 'Effects', and 'Width Factor'. Red arrows point to specific elements: 'Font Name' (romans.shx), 'Paper Text Height' (0.00), 'Width Factor' (0.75), 'Oblique Angle' (0.00), 'Upside down', 'Backwards', 'Vertical', 'Set Current', 'New...', and 'Delete'.
