Hidden Object!

Can you find the hidden picture?

The image is a black and white line drawing of a Christmas scene, designed as a hidden object puzzle. In the center, Santa Claus is depicted with a beard and a hat, sitting in a sleigh pulled by a reindeer. The sleigh is filled with various holiday items, including a large gift box, a smaller gift, a snow globe, a small Christmas tree, and a pair of stockings. The background is filled with stylized trees, snowflakes, and other festive elements. On the left side of the image, there is a vertical list of six items to find: a Christmas tree, a stocking, a snow globe, a gingerbread man, a bell, and a mitten. A speech bubble at the top left asks, 'Can you find the hidden picture?'. The entire scene is enclosed in a rectangular frame.
