Student of the Week

Instructions

Use the "EDIT" button to add images, videos or text to your Student of the Week's workspace to make it your own.

This is the "EDIT" button. If you make something, just click the "EDIT" button to go back to the slide.

Cover Page

Delete all the pages you DON't want to send to students before sending them out.

Page 14 is blank so you can add your own directions, if needed.

If you want to print the black and white version for students, delete slides 1-14 and the last slide with the credits.
