

# PICTIONARY JUNIOR<sup>™</sup>

# RULES OF PLAY

#### THE GAME

This edition of the Original Charades-on-Paper Game™ was specifically designed for children, ages 7-11.

Pictionary Junior™ has 720 words that were selected and rated for their reading level by a team of elementary school educators. Just as in the adult version, clues are drawn and teammates have one minute to guess the word. Children will use color to help communicate their words, and don't need to be artists to play this fast-paced game.

#### **EQUIPMENT**

- ★ 2 special wipe-off drawing boards
- \* 90 RED word cards (recommended for ages 10 and 11)
- ★ 90 BLUE words cards (recommended for ages 7, 8 and 9)
- **★** one-minute timer
- ★ 6 non-toxic crayons
- ★ plastic storage tray

## THE OBJECT

The object of the game is to guess a word from a drawing made by your teammate. The first team to guess four words correctly is the winner.

### PREPARATION

a) Divide the players into two teams (Team A and Team B). The number of players per team may be uneven if an odd number wish to play (see special instructions for three players).

b) Place the storage tray between the two teams.
Remove the crayons from the box and place them in the grooves of the tray so they are in easy reach of all players. Stand the timer up so that it sits securely in the hole provided. Separate the RED and BLUE word cards into two decks. Shuffle each deck thoroughly, and place them color side up next to the tray. Each team takes one drawing board.

c) One player spins a crayon. The team to which the crayon points will start the game. This team is designated Team A, and other Team B.
