

There are two parts to this question. Scroll down to see both parts.

Question 3a (5 marks)

The team members agree to each pay the same small monthly subscription fee to the sports team to help cover gym costs.

Use your answers to **Question 1** and **Question 2** to work out for each gym

- the difference between the sponsorship money for gym training **this year** and the gym training costs for **this year**
- the subscription fee each member will need to pay **per month**.

Complete the table.
