

fx Editorial Blog Calendar Instructions

Editorial Blog Calendar Instructions

To start the calendar, insert the day you wish to make your FIRST blog post in B3 >

9/28/2020

General Instructions for Using this Tool:

1. Click File->Make a copy
2. Delete cell B3 and add the date
3. Avoid editing the calendar tab formulas.
4. Customize events on the "schedule" tab.
5. Add your own blog ideas

[Please refer to this detailed blog post for in-depth instructions on using the calendar tool.](#)
