

The background of the image is a close-up of a desk. In the top left, a yellow calendar strip shows the word 'September' in cursive. Below it, a white calendar page has dates like '25' and '26' visible. A black pen lies diagonally across the center. To the right, a watercolor palette with the brand name 'NEWTON' and 'WATER COLOURS' is partially visible. A barcode sticker with the number '84955 03270' is on the palette. The text 'THE FIRST' is overlaid in a large, bold, dark blue font within a white rectangular box.
