

1. Punch out all pieces. 2. Fold basket sides on all scored lines — Fig. 1.

3. Hold bottom of basket (colored side up) and insert tabs into slots on basket sides, starting with slot next to tabs "A". As each tab is inserted, slide the tab forward, locking the side of basket into slot on tab — Fig. 2.

6. Attach flowers to remaining sides. Match colors in attaching flowers.

7. Bend flower petals slightly out from basket for effect.
