

# A safe and merry Christmas

"Rub your eyes,  
Get out of bed,  
Santa's been!"  
My brother said.

"Wake up dad,  
Wake up mum,  
There's gifts for you,  
Quick, quick - come!"

And he was right,  
That brother of mine,  
The tree was full,  
It's surely a sign.

The end of year is here again,  
And not to be outdone,  
We'll wish you a great Christmas,  
A safe and merry one!
