

# JUNE PREFERRED CLIENT REGISTRATION PROMOTION

As we begin our sprint towards **Empower Live**, we've created a new promotion to help bring PCs into your business so that they can enjoy our exciting offerings on Launch Night.

When a Preferred Client registers in the month of June with an order of **\$150 SRP** or more, they'll be able to select an **immediate free gift** from our list of best sellers! This is a **\$100 reduction** from our normal Preferred Client registration offer where a \$250 SRP order is needed to select a free gift!

**Jump on this chance to kickstart your June and reach out to your potential new Preferred Clients today!**
