WELCOME TO 1ST GRADE!

MISS WINTERS

My name is Miss Winters and I will be your teacher this year. I can't wait to spend the year ahead with you all.

Fun Fact: I knew I wanted to be a teacher since I was in elementary school. I dressed up as a teacher for career day in kindergarten!

WHAT YOU CAN EXPECT THIS YEAR...

In our classroom, your child will embark on an incredible journey of growth and discovery. They will be immersed in a differentiated math and reading curriculum tailored to meet the needs of every learner, ensuring that each child reaches their full potential.

Your child will have the opportunity to engage in creative problem-solving, critical thinking, and collaboration, all while experiencing the wonders of science, technology, engineering, arts, and math. Through personalized instruction and a variety of resources, we will foster a love for learning and empower each student to thrive.

ABOUT ME!

I grew up in San Diego and attended SDUSD district from grades K-12. After high school I attended my dream school- UCLA. I was apart of the dance team there, which is another passion of mine. I am very close with my family, and have 3 siblings. I always looked up to my mom, who is also a teacher. She's been teaching for over 30 years and has instilled a passion for education in me. My favorite family member has to be my dog, Beethoven! On the weekends, I love taking him on beach walks.
