

22 Ancient Greece Activities for Middle School

NAME: _____ CLASS: _____ DATE: _____

ANCIENT GREECE MAP ACTIVITY

In this activity, you will learn more about the geography of Ancient Greece through a sorting challenge and labeling the locations you sorted on a map.

Directions: In the location bank below, there is a list of locations that were important in Ancient Greece. Your task is to sort the geographical locations based upon where they fit in the chart. You can research the answers online or look them up on a map to help you!

LOCATION BANK			
Troy	Aegean	Sparta	Corinth
Ionian	Crete	Athens	Rhodes
Delphi	Mycenae	Knossos	Thrace

Cities and City-States	Mountains
	Islands

Bonus Challenge: As you are looking up different locations, write the location they are on the lines below!
