

HOW TO CREATE A

# BLANK BUSINESS PLAN

Based on the Panel Study Of Entrepreneurial Dynamics II, they tracked a representative sample of more 1000 would-be US entrepreneurs over six years, covering 2005 up to 2011.

01

## HAVE A PURPOSE

When making your business plan, you want to have a purpose in doing that business. It has to be something that is genuinely in line.

02

## MAKE A PROFILE

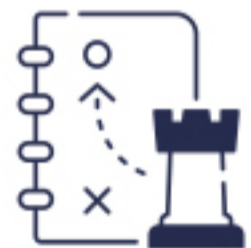

You want to set an establishment for your business and work hard for it if you're going to succeed in the world of business.

03

## FORMULATE A STRATEGY

Introduce new products, extend and regain the market for existing products, enter new territories for the company, boost sales for a particular product, and cross-selling.

04

## MAKE IT ADAPTABLE

For your business to reach that stage, you have to enter your audience if you want your products and services to sell in the marketing world.

05

## NEVER STOP CARING

As soon as you finish your sample business plan always have a soft spot to remember why you are doing this.
