

# Problem Solving: Finding a Solution Social Skills Story

I can Problem Solve:  
Finding a Solution

Color and  
B&W  
versions  
included

I can use calming strategies like taking  
a deep breath or counting to 10 if I am  
feeling frustrated.

My friend and I want the same toy, I  
want to trade.

If someone is doing something that I  
do not like I can say, "Please stop, I  
don't like that."
