

# Firework

Do you ever feel like a plastic bag Drifting  
thought the wind Wanting to start again Do you ever feel, feel so  
paper thin Like a house of cards One blow from caving in Do you ever feel  
already buried deep Six feet under scream But no one seems to hear a thing Do you know  
that there's still a chance for you Cause there's a spark in you You just gotta ignite the light And  
let it shine Just own the night Like the Fourth of July Cause baby you're a firework Come on show em  
what your worth Make em go Oh, oh, oh As you shoot across the sky-y-y Baby you're a firework Come on let  
your colours burst Make em go Oh, oh, oh You're gonna leave em falling down down down You don't have to feel  
like a waste of space You're original, cannot be replaced If you only knew what the future holds After a hurricane comes  
a rainbow Maybe a reason why all the doors are closed So you can open one that leads you to the perfect road Like a lightning  
bolt, your heart will glow And when it's time, you'll know You just gotta ignite the light And let it shine Just own the night Like  
the Fourth of July Cause baby you're a firework Come on show em what your worth Make em go Oh, oh, oh As you shoot across the  
sky-y-y Baby you're a firework Come on let your colors burst Make em go Oh, oh, oh You're gonna leave em falling down down down  
Boom, boom, boom Even brighter than the moon, moon,  
time to let it through Cause baby you're a firework  
oh As you shoot across the sky-y-y Baby you're a  
Oh, oh, oh You're gonna leave em falling down  
than the moon, moon, moon Boom, boom, boom  
moon It's always been inside of you, you, you And now it's  
Come on show em what your worth Make em go Oh, oh,  
firework Come on let your colours burst Make em go  
down down down Boom, boom, boom Even brighter  
Even brighter than the moon, moon, moon
