

Firework - Katy Perry

Do you ever feel
Like a plastic bag
Drifting through the wind
Wanting to start again

Do you ever feel
Feel so paper-thin
Like a house of cards
One blow from caving in

Do you ever feel
Already buried deep
Six feet under

Screams but no one seems to hear a thing

Do you know that there's
Still a chance for you
'Cause there's a spark in you
You just gotta

Ignite the light
And let it shine
Just own the night
Like the Fourth of July

'Cause baby, you're a firework
Come on show them what you're worth
Make them go, "Oh, oh, oh"
As you shoot across the sky
Babay, you're a firework

You don't have to feel
Like a waste of space
You're original
Cannot be replaced

If you only knew
What the future holds
After a hurricane
Comes a rainbow

Maybe the reason why
All the doors are closed
So you could open one
That leads you to the perfect road

Like a lightning bolt
Your heart will glow
And when it's time you know
You just gotta

Boom, boom, boom
Even brighter than the moon, moon, moon
It's always been inside of you, you, you
And now it's time to let it through

Boom, boom, boom
Even brighter than the moon, moon, moon
Boom, boom, boom
Even brighter than the moon, moon, moon
