

# Create Your Own Society!

- *Think of 2-3 basic rules FOR EACH of the following categories...*

INDIVIDUALLY, think of rules you feel are necessary for the success of a large group (several thousands!) of people living together.

BE READY to defend your rules. Remember, you want to create a society where people Would like to live!

## 1. GOVERNMENT RULES- How are laws to be created and enforced?

Who makes the laws, and who enforces them?

## 2. SOCIAL RULES- What roles will different people play in your society? Examples include age, gender, race, religion, level of wealth.

Who has the right to be a citizen in your country, and what is the legal age of adulthood?

## 3. ECONOMIC RULES- How will the distribution of land, water and energy be decided?

How do people buy things, and what does the government provide?
